

Appreciating Nature Class with Christopher Stix

TIPPLING ROCK: Nobscot Scout Reservation, Sudbury

Directions: The parking for this event can be accessed from Route 20 in Sudbury. Take Route 20 8.9 miles West from 128 past Nobscott Road (a light just before Shaw's on the South side of Route 20) in Sudbury. From the light at Nobscott Road, go 0.8 miles West on Route 20. You will see Horsepond Road on the right (North) side of Route 20. About 50 yards later, just across from Sudbury Pines Extended Care, there is a **NARROW DIRT DRIVEWAY** on the **South side of Route 20**. There is also a small red sign that says "Town of Sudbury Conservation Land," on the South side of Route 20 immediately before the driveway. This dirt driveway leads to the parking area where we will meet for Appreciating Nature. If you see Longfellow Glen, Uplook Drive or Brimstone Lane on the South side of Route 20, you have gone too far. Similarly, if you see Duckett Funeral Home on the North side of Route 20, you have gone too far.

Please plan to bring:
